OPENING HOURS: TUESDAY – STAURDAY 10.00 – 16.30

NEW FEED, SUPPLEMENT & BEDDING PRODUCTS THAT CAN BE ORDERED

White Horses Equestrian Products have secured a new UK supplier and as such can offer a full new range of feed and supplements, as listed below.

We are however, not big enough to be able to stock the entire range but can offer our clients an order service.

We are aiming to bring in deliveries every month and you can place your order, even if it is only for one bag, at no extra cost than the prices shown, which will then arrive on the next pallet and can be collected from the shop or delivered as per our normal delivery terms and conditions.

All orders must be placed by email to clarkjulie800@aol.com or in person at the shop.

All orders must be paid for in advance of shipping, by cheque, cash or bank transfer, details provided upon request.

All prices are correct at time of going to print.

All prices are dependent upon the value of the Euro to the GBP. This is to ensure we can offer our clients the best rates.

Unfortunately, we cannot offer payments by card.

Our full 'In Stock' product range is listed at the end of the new product range. These products are always held at the shop without the need of pre-ordering.

All products are sold under the feed and dosage guidance of the manufacturers or veterinaries and no responsibility can be taken by White Horses Equestrian Products after purchase of our products.

NEW FEEDS - All Feeds are sold under the feed and dosage guidance of the manufacturers and no responsibility can be taken by White Horses Equestrian Products after purchase of our products.
